

Welcome to Oasis Shelters

We design and manufacture commercial-grade shade shelters for US and Canadian markets.

Shade shelters have become a crucial necessity for city parks, children's playgrounds, splash pads and other public gathering areas. They provide protection from UV radiation, rain and snow. These structures also serve as a meeting place for community members and community events; Oasis Shelters are available in both standard and custom sizes to help fulfill these needs.

Our shade shelters are made with A500 Grade B Steel. They meet all US State and Canadian Provincial building code requirements.

We take pride in manufacturing an amenity that is long lasting with no maintenance.

We apply an oven-cured, lead-free, UV-resistant polyester powder coating to all steel frame surfaces, ensuring a long-lasting and durable finish. Our three-stage coating process includes sandblasting, zinc-rich primer base coat, and polyester powder coating.

Steel Frame

Oasis Shelter applies an oven-cured, lead-free, UV-resistant polyester powder coating to all steel frame surfaces, ensuring a long-lasting and durable finish. Our three-stage coating process includes:

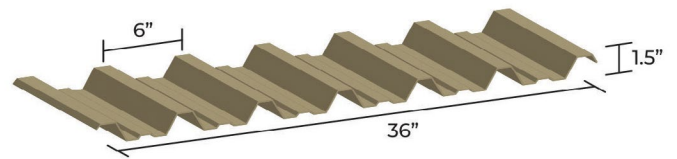

- Sandblasting
- Zinc-rich primer base coating
- Polyester powder coating

We offer a wide selection of colors to complement your design theme and aesthetic requirements.

Roof

We use Agway 7-150-NF as a standard roof profile, its load bearing capabilities enable the 7-150 profile to function as a structural member.

Agway's 7-150-NF comes in a full range of stock colors, with color matched fasteners, trims and accessories.

Warranty

Warranty period starts from the receipt of goods. Warranty excludes normal wear and tear, abuse, vandalism, or improper installation and maintenance. The warranty with respect to failure due to material or production defects on painted metal components products will either be repaired or replaced.

Duration of warranty for specific products and components are as follows:

Steel Structures	25 Years
Paint	2 Years
All Other Products	2 Years

Limited Warranty and Coverage of Defective Parts

Warranty commences upon receipt of goods by the purchaser and is limited to parts covered by the warranty only. Warranty coverage does not apply for wear, tear, misuse or vandalism. The warranty does not cover surface corrosion in metal parts, discolored surfaces and other cosmetic failures or issues due to misuse or vandalism or aging. Oasis Shelters warrants that the parts and components comprising the Oasis Shelters Structures sold under Purchase Agreement will be free from defects in material and workmanship for the period covered in the Warranty from the date of delivery to Purchaser, or to Purchaser's customer, whichever is sooner, and this warranty will be limited to the repair and replacement of parts and components which Purchaser can show were defective upon delivery to Purchaser. Modification of, or damage to, any of the parts or components the Oasis Shelters

parts and components (as delivered to Purchaser), during final assembly (by or under the direction of Purchaser or Purchaser's customer or any third party performing such final assembly on behalf of Purchaser or Purchaser's retail customer), will void any warranty by Oasis Shelters, whether expressed or implied. It is expressly agreed that this warranty will be in lieu of all warranties of fitness and in lieu of the warranty of merchant ability. Proper documentation as reasonably required by Oasis Shelters is required to support and verify all warranty claims. Failure to provide such documentation could result in a warranty claim being denied. Purchaser's Remedy the sole remedy under this warranty shall be the repair, replacement or credit for defective parts as stated above. The warranty is in lieu of any other warranties either expressed or implied, including the merchantability and fitness for a particular purpose. The foregoing warranties are exclusive and in lieu of all other warranties, including any other warranty of quality, express or implied, and including any warranty or merchantability, or any warranty of fitness for any particular purpose. There shall be no liability for incidental or consequential damages under the foregoing warranties.
